order to raise it. Meantime Fred was entertaining his democratic friends on Tucson, and they, in return, are doing

all in their power to protect him from the hand of the law. It is rumored that Judge Barnes, C W. Wright, Ben Goodrich and Fred W. Smith have entered into a compact to assist Hon. Marcus A. Smith in securing the immediate confirmation of every republican appointee in Arizona except Royal A. Johnson. It is further rumored that Messrs. Barnes and Wright have been delegated to go to Washington in person for this purpose. wonder what Royal has done to

rouse the animosity of these gentleen. I hope that they are not opposng him upon the ground that he has shown mugwump proclivities by ap-pointing a sturdy democrat like Jos. C. Perry as chief clerk in the Surveyor meral's office. Judge Barnes, at least ught not to oppose him upon that ound, as I have never heard it whisered that any republican opposed his Barnes) confirmation for appointing ohn H. Martin clerk of the court in this district, although it is a well known fact that John H. Martin was an ardent and stalwart republican at

he time he received that appointment The Star developed an amusing alibi on Marcus A. Smith, our genial delegate to Congress, during the last days if his stay here. Mark was wearing a face of mourning, and lamenting the loss of his year's salary by Silcott's defalcation. Hughes published the list of sufferers and Mark's name could nowhere be found. This was the only alibi attempted during the Wham trial about which there could be no "reasmable doubt."

Frank H. Hereford, the younges of the attorneys for the Wham robbers, distinguished himself by a clear, logical and convincing review of the testimony in the case. His speech was an eloquent appeal to reason and common sense of the jury, and was remarked by everybody to be in striking contrast to the passionate declamacion of his associates in the case. I predict that Mr. Hereford will make his mark as a criminal lawyer in this

Commissioner of Immigration ar emitting a streak of brilliancy that causes the phosphorescent gleam sent forth by a dead codfish to "pale its ineffectual fires" and makes a lightning bug ashamed of itself. The idea has entered their gigantic and roomy craniums that it would be a master stroke of political diplomacy to issue he governor's annual report as a locument to induce immigration, and the idea caused such a delightful titillation to diffuse itself through their gray matter, that the project is being out into execution, and many a poor devil will, some day, when he opens a wrapper, lament the day that he was born. The year has been noted for its many calamities, but on all-wise Providence should have spared us this
